

Nochex:

Background Media Information

- Founded in 2000, Nochex launched its UK-based online payment services in 2001.
- Initially providing person-to-person money transfer services, in response to the rise of ecommerce, in 2004 the company switched focus to a payment facilitation service
- Today, Nochex provides UK consumers and online merchants with a service led, competitive online payment solution which provides a more personalised UK based support service than their US counterparts.
- Nochex provides online payment services to more than 5,000 merchants in the UK.
- The company successfully handles over 1 million online transactions a year – out of an estimated 1.3 billion online payment transactions originating in the UK.
- Since 2003, Nochex is an active member of the Emoney Association, the UK trade body for Emoney issuers.
- Nochex is certified by the Financial Services Authority as a small Emoney Issuer
- Nochex is headquartered in Leeds, Yorkshire.
- Martin Greenbank, an early business and financial adviser to the company, became MD in 2003.
